

FROM WASHINGTON.

A NEW SITE FOR THE CAPITAL.

The Washington Contested Elections.

Progress of the Tax Bill.

Special Despatches to THE SUN.

THE REMOVAL OF THE CAPITAL.

WASHINGTON, D. C., June 14.—Gen. Logan will call up his resolution, to-morrow, looking toward the removal of the capital westward. There is now a clear majority for it in the House, and a commission will be appointed to select a site in the Mississippi Valley. Competent engineers estimate the cost of removal at \$100,000,000, and that the change will require two years' time.

THE PRESIDENT.

All of the President's friends here have virtually dropped Gen. Hancock, and are now openly working for Judge Chase's nomination by the New York Convention. President, however, is reported to be leaning toward the latter, and to be desirous of securing the nomination for Mr. Johnson himself, but that they will go for some new man, sooner than to allow him to win on that scheme.

MISS VINNIE KEAR.

Miss Vinnie Kear is endeavoring to get her room in the old Capitol, now used as a post-office, restored to its original use. She has secured the removal of the furniture, and is now endeavoring to get the room in the old Capitol, now used as a post-office, restored to its original use. She has secured the removal of the furniture, and is now endeavoring to get the room in the old Capitol, now used as a post-office, restored to its original use.

REVEREND JOHNSON.

Reverend Johnson will not resume his seat in the Senate, but will leave for England as soon as Secretary Seward returns to give him his instructions. The latter is now in New York, and no one knows when he will be back.

THE MASSAGES.

Gov. Downer returned yesterday, and the Massages are now in the hands of the State. The Governor is now in the hands of the State. The Governor is now in the hands of the State. The Governor is now in the hands of the State.

THE OVERLAND RAIL.

The Postmaster General has let the carrying of the overland mails between the ends of the Union Pacific Railroad, now distant about nine hundred miles to Carlton, Spinks, Chicago, and St. Paul, to the Chicago and North Western. The contract is for a year, and the rate is \$100,000 per annum. The contract is for a year, and the rate is \$100,000 per annum.

A DINKER TO MR. FESSENDEN.

Senator Fessenden yesterday received a letter from Boston, signed by sixty men purporting to be Republicans, who invite him to a dinner to be given to him at that city. He is very much delighted with it, and has written a reply to the effect that he will accept of the invitation. He is very much delighted with it, and has written a reply to the effect that he will accept of the invitation.

PAY OF ARMY OFFICERS.

The House Military Committee have agreed to report a bill increasing the pay of the regular army officers thirty-three per cent. It will be vigorously opposed in the House, and in all probability will be defeated.

THE PATENT OFFICE.

It is given out by the friends of Elisha Fook, who is now a member of the Board of Appeals in the Patent Office, that he will be nominated by the President to be Commissioner of Patents. Mr. Fook expects to soon become the father-in-law of Senator Henderson, and has been violently opposed to impeachment. He is a man of wealth.

FEMALE SUFFRAGE.

Prof. J. K. H. Wilcox, Messrs. Griffith, Mrs. Julia Archibald Holmes, and Mrs. Carter, a delegation from the Universal Franchise Association, filed an argument on the merits of woman for suffrage before the House Committee on Education and Labor on Saturday. The arguments were mainly sustained by Mrs. Holmes and Prof. Wilcox, and at the conclusion the delegation thanked the Committee for their kind attention, when the Committee reported the compliment, declaring themselves greatly satisfied by the arguments.

GEN. MAHON AND A FOREIGN MISSION.

Gen. McMahon, of New York, is now in Washington. His nomination by the President as Minister to Paraguay will not be acted upon by the Senate, purely for the reason of the war which now exists in that country, and which is a regular subject of the United States' watching it. The mission to Mexico is the position for which he is a candidate. There is little if any doubt that, if the President should send in his nomination for that office, it would be confirmed, judging from the favorable opinions expressed by a number of Senators concerning him.

THE TAX BILL.

The opinion continues to prevail among members of Congress that the Tax bill will not pass Congress, owing to want of time for both Houses to act upon the measure. It is thought, however, that several of the sections with regard to whiskey and tobacco may be embodied in a separate bill and come into law.

AN OFFICIAL HISTORIC.

Some time ago, Mr. William James, Collector of Internal Revenue for Richmond, Va., was suspended from office, but the Senate has not regarded the reasons assigned for the suspension as sufficient. Mr. James is thus restored to the office, and Gen. Mulford, late Commissioner for the Exchange of Prisons, who held the position in the mean time, therefore retires.

BRITANNIA.

Victorious and probably successful efforts will be made to-morrow to carry through the House an increase of 80 per cent. of the Washington salaries. William M. Evans arrived here yesterday and returned to-night to New York.

THE NEW ORLEANS MUNICIPAL TROUBLES.

Major Keeler, of Mrs. Buchanan's staff, reached here last evening with despatches for Gen. Grant relating to the situation in New Orleans. Gen. Grant, accompanied by Col. Mann, one of the members of Congress elected from Louisiana, visited the city on Saturday. The situation is still very serious, and the Government is doing all in its power to bring about a settlement. Expected Retirement of Count Von Bismarck.

Probable Dissolution of the British Parliament.

GREAT BRITAIN.

LONDON, June 13.—The count votes on the question of the Irish Church, which have resulted unfavorably to the Ministry, have, it is believed, determined Mr. Disraeli to appeal to the people. Parliament will therefore probably be dissolved, and it is understood the new Parliament will meet in December next, in which the Ministry will resign.

LONDON, June 13.—The American poet, Henry W. Longfellow, who arrived in England by the steamship Lido on Saturday last, has been the recipient of marked attentions. A congratulatory address on the part of the Mechanical Institute of Cambridge was formally presented to Mr. Longfellow to-day.

LONDON, June 13.—It is now generally understood that the Ministry will make an appeal to the country on the question of the Irish Church, and the House of Commons. The following is the programme of the Ministry: To dissolve Parliament, to call a new Parliament to meet in October, to call a new Parliament to meet in October, to call a new Parliament to meet in October.
